Attention SAF Anglers and Coaches! A couple IMPORTANT Reminders when the time comes to go to an event!

Online Registration is Mandatory for all SAF State Championships.

- Registration Closes 12 noon CT, Friday before each SAF State Championship Event

REMINDER no youth angler can register or plan to fish alone, no angler may enter or fish ANY youth sports event on any circuit alone. Pursuant to the Youth Safe Sports Act of 2017 (federal law governing youth sports a minor CANNOT participate in a youth sporting event ALONE with an adult.) There MUST be 3 persons in every boat to be compliant with this federal law. No exceptions.

-Rule #2 outlines a \$20/per person late fee for onsite registrations, we've been pretty lax on this in the past but with the popularity of HS Fishing, registering onsite means longer lines and times - help us, help you and stay on time!

Also, don't forget to BRING your Signed Liability & Release Waiver!

You can find the waiver attached to your confirmation email or by clicking the link at the top in this email
